

# Become an Adult Mentor

Do you feel called to walk with teens in helping them figure out their true purpose in life? Do you feel called in passing down the faith in a **beautiful and life-giving mentorship role**? You don't have to know everything in the faith to do this. You just have to be open and willing to answer the call.

*Why do I exist?*

*Where do  
I stand in  
the church?*

*What  
does God  
mean to  
me?*
